Terms and conditions.
 This purchase order is governed exclusively by Johnson Controls' Terms and Conditions of Purchase and any country supplement specified (both available at <https://jci.portal.covisint.com/web/portal/home> and incorporated here by reference), except as modified therein. All other terms are rejected. Shipments must comply with supplier routing instructions found at <https://jci.portal.covisint.com/web/portal/home> or a debit may be incurred for excessive shipping costs. Seller must comply with the Johnson Controls Supplier Standards Manual. The purchase order number must appear on all invoices, packing slips and bills of lading. A packing slip must accompany all shipments, showing the order and part number, quantity and supplier number. All Pre-production parts must be marked / labeled with the Johnson Controls - AE part number and revision level as indicated on the CAD model and / or drawing. Pre-production parts that are shipped without proper identification as stated above will be returned to the shipper at their expense.
