<p>Supplier shall provide Buyer written notice immediately upon becoming aware that any director/officer/sales representative or employee of the Supplier or a person who beneficially owns more than 5% of the ownership interests of the Supplier who is affiliated with or is also a director, officer or employee of the Buyer or a family member of any director or officer of the Buyer. As to any employee of the Supplier (excluding an officer or director of the Supplier) who has a family member serving as a director or officer of the Buyer, the Supplier only needs to report this information to Buyer if such employee is involved in the Supplier's business relationship with Buyer (even if such involvement is not part of his or her customary responsibilities) or receives any direct or indirect compensation or benefit based on the Supplier's business relationship with Buyer. Any director, officer or sales representative of Supplier described in this paragraph must always be reported to Buyer, even if such person is not involved in the business relationship with Buyer and receives no benefit related thereto. Supplier agrees to comply with Buyer's Code of Business Conduct and Ethics which can be found at www.lear.com and to promptly report all violations thereof to Buyer's Vice President - Global Purchasing *****</p>
